

Ethical Sourcing Statement

The Ambassador Medical Surgical Equipment & Instrument Trading Co LLC

The Ambassador Medical Surgical Equipment & Instrument Trading Co LLC is committed to conducting business responsibly, ethically, and with integrity across all areas of our operations and supply chain.

As a growing supplier of medical and surgical equipment, we recognise the importance of working with reputable suppliers and partners who share our commitment to ethical business practices, product quality, and responsible sourcing standards.

Our approach to ethical sourcing is based on the following principles:

- Promoting fair, honest, and transparent business relationships
- Respecting human rights and supporting fair labour practices
- Opposing forced labour, child labour, and unethical working conditions
- Encouraging compliance with applicable laws and regulations within our supply chain
- Supporting responsible environmental and sustainability practices where practical
- Prioritising the refurbishment and responsible reuse of medical equipment to help reduce unnecessary waste and extend product lifecycles

As a developing organisation, we understand that ethical sourcing is an ongoing process of continuous improvement. We remain committed to strengthening our supplier relationships, operational practices, and sustainability awareness as our business continues to grow.

Ambassador Medical Supply aims to maintain professional, responsible, and long-term partnerships built on trust, accountability, and shared ethical values.
